## Profile

- Paivi qualified as an occupational therapist from Oxford Brookes University in 2009.
- Her first work placement was at Bethlem Royal Hospital, one of the major psychiatric units in London where she gained good knowledge of working with people with mental health issues.
- She has worked in Finland gaining experience in neurological rehabilitation.
- She worked at Stoke Mandeville Hospital in Buckinghamshire and John Radcliffe Hospital and Major Trauma Centre in Oxford.
- Paivi has worked for Corporé since 2012. She is very experienced in the completion of worksite, ergonomic and activities of daily living assessments for people following complex trauma, chronic pain and head injuries.

## Testimonial

"I enjoy having the opportunity to bring a holistic approach to case management and rehabilitation for each individual. It is very rewarding to be able to assist the individual in their path to recovery and ensure all their needs in different areas such as medical, physical, psychological and vocational rehabilitation are met".

## Continued Professional Development

- Corporé are committed to facilitating the requirements for on-going CPD for our registered professionals, so that they can demonstrate their current competence in their chosen field.
- We have an external expert clinical panel who contribute to our clinical governance for continuously improving the quality of our services and safeguarding high standards of care.
