Profile

- Claire qualified as a Registered Nurse in 2002 from the University of Sheffield.
- Claire worked in the NHS for many years in a variety of roles and care facilities including a palliative care unit, rehabilitation unit, district nursing team and as a community nurse practitioner for a large GP practice. She has worked on behalf of the Department for Work and Pensions as a disability analyst conducting work capability assessments all over the UK for physical and psychological conditions.
- Claire is trained in Hand Arm Vibration Syndrome Assessments (HAVS).
- Claire also completed specific neurology training to undertake neurology based claimant assessments.
- Claire was part of a multidisciplinary team responsible for collaboratively developing and implementing of training programmes aligned within NICE guidelines. Driving forward and improving the delivery of improved care initiatives, she worked with external agencies including the Care Quality Commission (CQC), Social Services and NHS England.
- Claire completed the Train the Trainer course which has enabled her to educate colleagues in best practice specifically with mental health conditions. She delivered training sessions throughout the UK.
