

## Nick Dougherty Rehabilitation Case Manager

BSc (Hons) Physiotherapy

## Expertise

- Neuro Rehabilitation
- Traumatic Brain Injury
- Spinal Cord Injury
- Mechanical Ventilation / Respiratory Management
- Multi-Trauma
- Orthopaedic Trauma
- Hospital Discharge (planning return to home)

## Profile

- Nick graduated in 2005 from York St John University with a degree in Physiotherapy.
- Nick has worked in the hospital, community and private settings. He has a wide range of experience treating patients with multiple and varied conditions, including orthopaedic pre and post-surgical rehabilitation; respiratory including mechanical ventilation invasive and non-invasive; neurological conditions such as traumatic brain and spinal injury and degenerative conditions; community rehabilitation, learning and physical disabilities; and intensive care/high dependency.
- Nick has a wealth of experience in the rehabilitation field. He has worked with clients with complex needs and has continued to ensure he has maintained his skills allowing treatment for complex neurological conditions.
- He has been a Clinical Lead Physiotherapist within the private sector, with experience in setting up new services, facilitating complex discharges from hospitals nationwide and managing small teams of therapists.

## Testimonial

"I am a passionate and dedicated Chartered Physiotherapist. I feel privileged to have the opportunity to work with individuals with complex needs knowing that they have the best chance to engage in the most appropriate rehabilitation, ensuring that they can reach their maximum potential no matter the severity of condition."
